SPRING 1991

UNIVERSITY OF WISCONSIN-PLATTEVILLE

NO. 56

Actives in Desert Storm

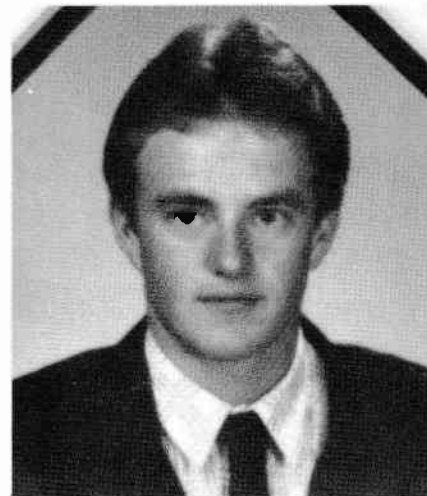

Chad Georgeson (388) and Daryl Hankemeier (400) have been activated for duty in Operation Desert Storm. Chad is part of the 229th Engineering Division Reserves out of Prairie du Chien and Platteville. Chad was called up for active duty in December and was activated on December 10. On that day the division paraded through Platteville with family, friends, and supporters looking on. Chad pledged in the spring of 1989 and is a member of the Alpha Rho pledge class. Chad is from Blue River, WI and is a senior majoring in Crop Science.

Daryl was activated on January 12, the Saturday before classes started. He is part of the Dubuque Reserves and was in the Navy before starting school. In the Navy, he had spent part of his time in the Persian Gulf so going there will be nothing new. Daryl pledged in the spring of 1990 and is a member of the Alpha Tau pledge class. Daryl is from LaMotte, IA and is a sophomore majoring in Animal Science. Daryl recently proposed to Susan Helms and they are planning to marry this fall. We hope he will be back in time.

The house is not quite the same without them, and it has put a little bit of an unexpected financial strain on the chapter. We miss both of the guys very much but we know they are doing the right thing. We wish them the best of luck in what lies ahead, and pray for their safe return.

In coming issues we will update you on Chad and Daryl and keep you informed. If you know of any alumni or Rho-Mates involved in Desert Storm, please contact the house with their information and we can spread the word to the rest of the chapter. We hope the war ends soon, so the troops can come home safe.

Parent's Day	Apr 14
Ag Banquet	May 1
Graduation 2pm	May 11

NOBLE RULER

Hello AGR's! With a fresh officer team in place and rush for new members going on, the new year is off with a bang. Each officer has some new ideas to try. By implementing these ideas and by getting our chapter pumped up, we hope to make Beta Gamma as strong as it ever was or more. Leadership through brotherhood is one of my big pushes. We have a great opportunity in AGR to become leaders, instead of just going for the ride. So fire up and let's have a great year!

Fraternally,
Mike Gabor
Noble Ruler

Recruitment

Greetings fellow Aggies. The spring recruiting activities started with a board game night with the College of Agriculture faculty, Alpha Gamma Rho Brothers and potential members. Other activities planned for the non-alcoholic rush period include a carnival night, spaghetti and bowling night, and a T-shirt signing party. We are rushing hard and are looking forward to a great pledge class.

We are working on a continuous rush program. ~~Doing so~~ we have planned two senior weekends for high school seniors. These dates are the weekends of March 8 and 9, and March 15 and 16. The weekend will be free to any high school senior interested in attending Platteville. We will be inviting all students admitted in the college of ag. If you know of any prospective member, please forward their names to the chapter.

Summer recruitment will be done differently than other summers. The state will be divided up into areas, and ~~actives~~ ^{prospects} will visit potentials in their area, ~~along with help from alumni~~. If you are willing to help visit with potentials in your area, please let us know.

Fraternally,
Jeff Klaes
VNR-Recruitment

Membership Development

Greetings Alumni! My name is Chris Laue and I am the new VNR-Membership Development. I am currently a sophomore majoring in Ag Education with a Business emphasis. I am very excited about my new office and the upcoming pledge period. I plan to have an eight week program with stress placed on learning about AGR, academics, and above all having a good time. Pledging is set to start February 11th, and will run through April 12, when we hold banquet. I hope to have a great class this semester!

Fraternally,
Chris Laue
VNR-Membership

Alumni Relations

Hi, I am Paul Steffes the new VNR-Alumni Relations. I am from Mt. Calvary, WI and a junior majoring in Agribusiness with an Animal Science minor. I am looking forward to working with you, the Alumni.

On January 22, the Platteville City Council approved to extend the conditional use permit of the fraternity to the lot next door, thus enabling the way for expansion. Information and the schedule for the Alumni Banquet is found on the back. Some topics to be covered in the annual meeting will be expansion and elections. A panel discussion consisting of prominent AGR and College of Ag faculty will also take place. I hope to see as many as possible at the Alumni Banquet and keep in touch!!!

Fraternally,
Paul Steffes
VNR-Alumni Relations

Finance

Hello! It looks like we have another interesting year ahead of us. First, let me tell you a little about myself. I'm a Animal Science/Pre-Vet major with a

science emphasis. My current plans are to be accepted to the veterinarian school in Madison and start attending during the fall of '92. If that doesn't work out there is always graduate school (Animal Nutrition). I'm originally from Lake Mills, WI. I also plan on graduating in December '91.

I hope I can get these guys to keep their bills.

I keep up on the out going bills too (always). I plan on keeping the books in check and help the new officers with their offices. That's all for now, hope to see you at alumni banquet.

Fraternally,
Jim Hollenberger
VNR-Finance

Planning

Hi, my name is Jeff Baranczyk. I am the new VNR-Planning for 1991 at Beta Gamma. I was previously VNR-Operations and I'm looking forward to once again working with a new officer team.

The spring semester has started off very busy with many events taking place. Rushing began the first week with a Pizza & Game Night. Other rush activities include a Bowling Night and a Carnival Night. Winter Retreat was held January 13 & 14 at the Voyageur Inn in Reedsburg with many good ideas being present. Leadership Seminar is scheduled for February 22 & 23 in St. Louis.

Fraternally,
Jeff Baranczyk
VNR-Planning

Operations

Greetings Brothers and Rho-Mates. I am Joe Keller the 1991 VNR-Operations elect. I have been hoping for this office so now that I have been elected the time has come for me to show my expertise. My plan for the year is to keep the house standing and in as many pieces as when I started. There are also plans for slight improvements to keep the house appealing to guests and prospective members. As always, the house all of you ``grew

up in'' remains in very good hands.

Fraternally,
Joe Keller
VNR-Operations

Provisions

Hi, I'm Rick Blakely, the new person in charge of Provisions. I come from a 120 acre Jersey dairy from just outside of Eden (near Fond du Lac). I am a senior majoring in Animal Science with the new minor of Biotechnology.

What I'll be doing over the next year is planning the menu. ordering and shopping for supplies, complaining to Pat (cook) and trying to give the pigs in the house a healthy diet.

Fraternally,
Rick Blakely
VNR-Provisions

Activities

Hi everyone! My name is John Degner and I am very excited to be in charge of activities for this year. I am a Junior majoring in Animal science and minor-ing in Biotechnology. I grew up on a dairy farm in Wonewoc, WI. I pledged in the Alpha Sigma class in the Fall of 1989. I have already been planning activities with other fraternities on campus. I have also helped plan a skiing trip with the Madison AGR's slated for Feb. 8th at Tyroil Basin. I am working with Chris Laue to organize some activities during the pledging period. Also in the works are some fun new social functions to keep a relaxed atmosphere in the fraternity. We are competing in three intermural sports: bowling, broomball, basketball. I'm fired up about my job and that the activities that I plan are helpful to the morale of our organization.

Fraternally Yours,
John Degner
VNR-Activities

Lost Alumni and Rho-Mates

Following are the names of Alumni and Rho-Mates that are lost. If you have information on them please contact the Alumni Secretary so their addresses can be updated.

Dan Matthias (062)
Reed Trefz (316)
Wayne Zentner (115)
Ms. Tressa Knutson
Mrs. Nancy Towns
Ms. Sue Warner

Initiation Fund

Everybody knows how tight money can be while going through school and pledging. In the past, potential members have been discouraged from joining due to the high initiation fee. One of our main rushing tools this semester has been that we will be able to help lower this fee. We are hoping that you, the alumni, can help us further lower the initiation fee. We are setting up an initiation fund, with donations from alumni, to help offset this cost. If you would like to donate to this fund, it would be greatly appreciated.

Rush Committee

AGR EXCHANGE PROGRAM

Dear Brothers,

I hope the NEW YEAR finds you all well. At the present time we are trying to reactivate the AGREP program that Beta Gamma has sponsored in the past. It has now been five years since we have sponsored an AGREP student. I feel that the crisis in agriculture that brought an end to this program at our chapter has past. The purpose of this writing is to stimulate interest in the program and reacquaint you, the alumni with the purposes of the AGREP program.

BACKGROUND

The Alpha Gamma Rho Exchange Program was initiated and developed by the Northern Indiana AGR Alumni Association in 1978-79. It was initiated to provide educational and practical work experience to undergraduate AGRs while also providing a mission and an opportunity for fellowship for AGR Alumni.

PURPOSE OF THE PROGRAM

A) To extend and complement the education of AGR undergraduates.

B) To provide practical work experience to AGR undergraduates.

C) To provide summer employment to students who may not have a good employment market in their immediate locale.

D) To provide the student with an opportunity to travel and experience a different lifestyle in a different area of the U.S.

E) To provide a larger parameter of career contracts for the student's use upon graduation.

F) To provide an opportunity for fellowship among AGRs across the country.

G) To provide a mission for established Alumni Chapters.

H) To provide the host with the opportunity to broaden his agricultural perspective in relating territorial advantages to those advantages of another area of the country.

RESPONSIBILITIES OF HOSTS

1) To provide an educational and practical work experience for the student.

2) To provide housing and compensation in the amount of \$250.00 per week for the student in return for the labor supplied by the student.

3) To coordinate with other hosts and/or other AGRs to provide opportunities and fellowship for the student.

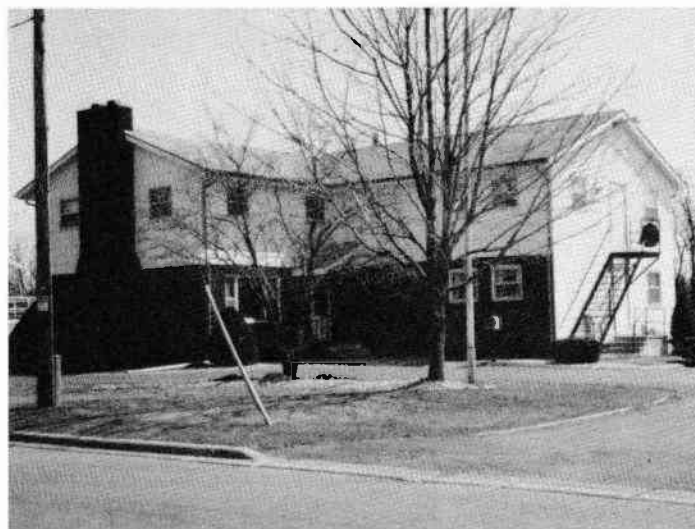

RESPONSIBILITIES OF STUDENTS

1) To supply labor to the host and his operation.

2) To participate and have fellowship with other AGRs including undergraduates and alumni and to participate in other civic and social activities in order to make the summer experience both meaningful and educational for himself and the hosts.

We need host volunteers from mid May to the end of August. The typical stay at any one host is usually two weeks. I feel that we all can benefit from this program so, if you feel that you can be one of our hosts this summer please feel free to contact me at (608) 543-3063 or write to Rt. 1 Box 18, Argyle, WI 53504. To make a commitment to our national office we will need to have our hosts lined up by February 15th so please contact me as soon as possible.

Sincerely,
Dave Badula

HOMECOMING

Being this year's co-Chairman, it is my pleasure to report to you the results of Homecoming 1990. We labored extremely hard, only to find the end result was 2nd place overall. We again lost to the Delta Sigma Phi Fraternity by a close margin. Our float was excellent again this year, receiving first place and the Chancellor's Award in the parade. We also achieved second place in three of the games on that day of competition, and we constructed a house decoration which received a third place rating. We are very proud of our achievements and productions this year and felt we deserved the top rating, but we were disappointed to discover we came up short.

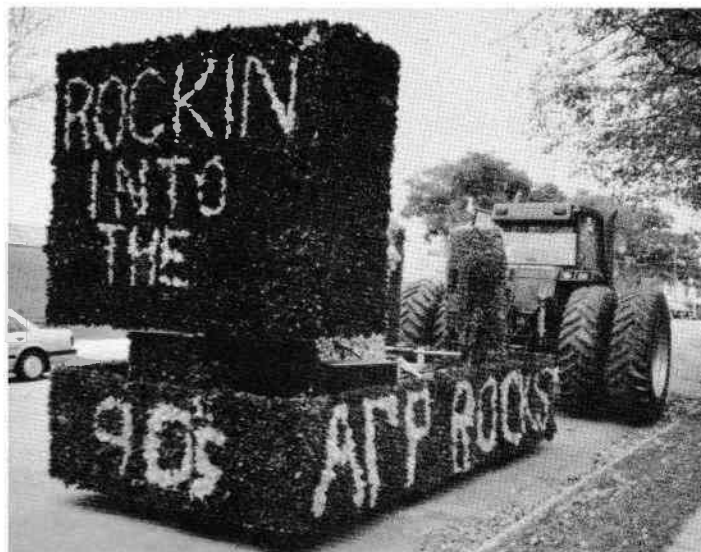

We were very pleased to see so many alumni at our parties Friday and Saturday night. We also felt the Saturday night steak dinner was a smash success, and hope to do it again next year. Thank you Alumni for showing up and supporting us!

Fraternally,
Steve Wright

(Above) The house deck won third place this year. The hands of the letters moved and music was played in the background.

(Right) AGR representative Duane Schaefer and partner Kathy Fitzsimons pose for pictures during halftime. Duane is a senior from Platteville majoring in Agribusiness and Ag Economics.

The AGR float received the Chancellor's Award once again. Larry Chipman and Marty Breunig drove the tractor. The float was assembled at Schaefer Farms and they also drove the tractor.

Sweetheart Anita Ripp gets an exciting ride in a convertible. Anita is a senior from Black Earth, WI, majoring in Agribusiness.

Rho-Mates

The Rho-Mates are geared up for Spring Rush and enthusiastic about the upcoming semester. At our last meeting we made yellow bows for the actives to wear in honor of the two Beta Gamma brothers, Chad Georgeson and Daryl Hankemeier, and everyone else who is serving in the Gulf. The Rho-Mates are also planning Valentine decorations for the house and a special Valentine supper for the actives and new prospective members.

Sincerely,

The Rho-Mates

Hi, I am Linda Schulke, the President of Alpha Gamma Rho-Mates for the current year. Presently, I am a junior double majoring in Agribusiness and Ag Economics, and minoring in Computer Science. My goal is to advise the Rho-Mates in the best possible way to fulfill our goal of being active and successful. It has been said and proven that what you put into the organization is what you get out of it. Good luck to all for a successful year!

Greetings, I am Anita Ripp, the Vice-President of Alpha Gamma Rho-Mates for 1991. I am currently a senior majoring in Agribusiness with an emphasis in Finance. This next year I hope to become more active within the chapter and assist the organization in a very successful year. I wish everyone a productive and prosperous year.

Hello, my name is Sue Klement, Secretary/Treasurer for the current year. I am currently a sophomore majoring in Agribusiness. I hope to graduate from UWP in December of 1992 with a Bachelor of Science degree, and get a job with a progressive agribusiness firm in the public relations field. During 1991, my goal is to help the Rho-Mate chapter become more involved with the activities of the organization.

Hi, my name is Lynn Sedgwick and I am currently the Ways and Means officer for the next year of the Platteville Rho-Mate chapter. I am a sophomore here at the University of Wisconsin-Platteville majoring in Agribusiness with a marketing empha-

sis. I hope to better the Rho-Mate chapter as well as Alpha Gamma Rho by setting up fundraisers and activities that involves the participation of everyone. This way everyone will benefit from their experiences with Alpha Gamma Rho.

Hey, I'm Carrie Winch and I've been duly appointed the Rho-Mate Educator for the spring 1991 semester. I'm currently a senior majoring in English Education. In showing my appreciation to the Rho-Mates for appointing me, I hope to motivate as well as educate the Rho-Mate pledges.

A CALL TO ACTION

Attention Alumni! Our college and our fraternity needs your communities brightest and most talented young men and women. Our tie to UWP and Alpha Gamma Rho is a life long commitment and you can make a difference. You are the agricultural leaders in your communities and you must lead by example.

We are presently beginning to organize a student recruitment program through AGR Alumni. The purpose of this program is:

- 1) To alert students to the opportunities in agriculture today.
- 2) To promote the College of Agriculture at UWP.
- 3) To promote Alpha Gamma Rho.
- 4) To organize campus and house tours for prospective students.
- 5) To expand College of Agriculture and prospective AGR members.

Yes, you can make a difference. And gain satisfaction of helping today's youth, your college, and your fraternity. If you are interested in becoming an active part of our new student recruitment program please contact Jeff Agnew (414) 563-8821 - home, (414) 563-7811 - work or Todd Stiede

Cupid's Corner

Congratulations to Brian Long (305) who will marry Elis McCabe in Ladysmith, WI on June 8, 1991.

Congratulations to Jon Loitz (358) and Julie Stetter who are engaged.

Congratulations to Daryl Hankemeier (400) and Susan Helms who are engaged.

Stork Report

Congratulations to David (201) and Susan Peterson of St. Charles, IL the proud parents of son, Peter David. Peter was born on Easter, April 15 and weighed 8 lbs 9 oz. Peter joins Mark, John, and Julie. A great Easter gift. Sorry for the delay.

Congratulations to Jerry and Cari (Christensen) Sabel of Malone, WI the proud parents of daughter Molly Elizabeth. Molly weighed 8 lbs 14 oz and was born on October 18.

Congratulations to Randy (285) and Stephanie Binversie of Manitowoc, WI the proud parents of daughter Allison Diane.

Rho-Mates (front l-r) Jill Stauffacher, Sue Klement, (back l-r) Carrie Winch, Elaine Williams, Anita Ripp, Linda Schulke, Lynn Sedgwick, (missing) Beth Tally

NEW INITIATES

Bill Demuth (408), a junior from Burlington, WI is an Agribusiness major with a Marketing emphasis.

Mark Macomber (409), a junior from Pearl City, IL is an Animal Science major with a dairy emphasis. Mark is on the UW-Platteville basketball team.

Ken Ziegler (410), a freshman from Sauk City, WI has not declared a major. Ken is on the UW-Platteville wrestling team.

Brad Herbrand (411), a sophomore also from Sauk City is an Agriculture Engineering Technology major. Brad is also on the wrestling team.

Dean Strauss (412), a freshman from Sheboygan Fall, WI is an Animal Science major. Dean is a member of Dairy Club.

Craig Keller (413), a sophomore from Mt. Horeb, WI is a Agricultural Economics major. Craig is a member of Dairy Club, National Agri-Marketing Association, and Ag Student Council.

OBITUARIES

Patricia Campbell

Mrs. Robert (Patricia M.) Campbell, 60, Platteville WI, died Friday, Jan. 25, 1991, at St. Mary's Hospital in Madison.

Funeral services were held Jan. 29, at 10 a.m. at St. Mary's Catholic Church. Fr. Steve Zuetler will officiate. Burial was at Calvary Cemetery.

She was born Nov. 27, 1930, in Madison, the daughter of Kenneth and Elizabeth Slaney Long. She graduated from St Benedict High School in College Town, Minn. She married James Flannigan in 1953. He died as a result of a plane crash during the Korean War. She married Robert Campbell on Oct. 4, 1958, in Belleville. They moved to Platteville in 1965 when he took a position in the ag industries department at UW-Platteville. He retired as a professor in that department last May.

She graduated from UW-Madison with a B.S. degree in education in 1960. She assisted in organizing the Grant County Chapter of Right To Life in 1972 and organized Pregnancy Helpline in 1985. She taught CCD classes at St. Mary's Parish, where she was also a member of the Alter Society. She was a member of the Faculty Wives of UW-Platteville.

Survivors include her husband, three sons, one daughter, two grandchildren, one brother, and one sister. Memorials may be given to the Grant County Chapter of Right to Life.

Pat was a former Rho-Mate advisor and was supportive of Dr. Campbell in founding Beta Gamma. Our sympathy goes out to Dr. Campbell and his family.

Charles DeNure

Charles DeNure, former Dean of the College of Agriculture died October 31, 1990. He was sixty seven years of age.

Dr. DeNure was born in Wiotia in 1922. He attended UW-Madison, where he received his Master's and Doctorate degrees. In 1947, he married Mary Kindschi. Dr. DeNure joined the Platteville faculty in 1952, and was named the first Dean of the College of Agriculture in 1966. He

retained this position until he retired in 1983.

Dr. DeNure is survived by his wife, three sons, and two sisters. Anyone wishing to make memorials may do so to the C.L. DeNure Scholarship Fund through the UW-Platteville Alumni Association.

DECEMBER GRADUATES

Richard Grulke (343) from Mayville, WI graduated on December 16 with a degree in the Soil and Crop Science and a minor in Horticulture. He is working as a field representative for Green Giant dealing with peas and sweet corn. Brother Grulke pledged in the Fall of 1985 as a member of the Alpha Kappa pledge class. While at Beta Gamma, Rich served as VNR-Finance, VNR-Membership Development and VNR-Planning. He has been involved in the Agronomy club, Horticulture Society and served on the University SUFAC committee for a year. Brother Grulke participated on the weed science team and the flower judging team. A major highlight in Rich's life was taking off of college for one and a half years and working on farms in Queensland and Western Australia as an International Rural Exchange trainee for ten months.

Sam

Will Ryan (377) from Beloit, WI, graduated in December with a degree in Criminal Justice. Brother Ryan was a member of the Alpha Pi pledge class of the Fall of 1988. He held the position of Scholastics Chairman for the past two years and helped the chapter raise its GPA to the highest of all Greeks on campus. Will's campus activities included the Criminal Justice Assn., intermural sports, and Little Louie. Will plans on obtaining a job with the federal government, with future plans including attending law school.
